Business Seminars

Svend-Erik Jepsen
Head of DI Water
sej@di.dk

Business seminars

- Purpose to link Exhibition in the Danish pavilion with seminars related to Danish key tropics and competences
- Short seminars – 30-40 minutes highlighting companies that are part of Danish pavilion experiences eg. Non Revenue Water, Energy efficiency
- It is a hard battle for exposure/interest from delegates
- It is an open format – people will come and go during the seminar
- Will be planned in details next spring with the companies in the Danish Pavilion
